Call for Papers

(IEEE Conf. #40514; Catalog # CFP1789F)

CRC-CE

The 12th International Conference on Computer Science & Education (ICCSE 2017) will be held in University of Houston, USA at Aug. 22-25, 2017. The conference is organized by National Research Council of Computer Education in Colleges & Universities, China (CRC-CE), and technically co-sponsored by the IEEE Houston Section and IEEE CS Society, Houston Chapter.

The Proceedings of ICCSE 2017 will be included in the IEEE Conference Publication Program (CPP), and will be published through IEEE Xplore. The past proceedings of ICCSE had been indexed by EI. For EI/ISI Proceeding indexing timetable, please refer to the past ICCSEs in the conference site.

Topics of interest include, but not limited to:

Annual Selected Topics

- Deep Learning
- Big Data & Time Series
- Mobile Information & Technology
- Disaster Prevention
- Informatics in Social Medicine
- Natural Language Processing
- Information Security
- Forms and Fundamental Fields

Interdisciplinary

- Mechatronics
- Automation & Robotics
- Bio-inspired Engineering
- Energy Efficiency
- Uncertainty Quantification
- Biomedical Engineering
- **Computer Science**
 - Artificial Intelligence
 - Software Engineering
 - Database Technology
 - Computer Graphics
 - Computer Application
 - Control Technology
 - Systems Engineering
 - Communication Technology

Engineering Education

- Massive Open Online Courses
- Education Reform and Innovation
- Engineering Education Mode
- Curricula and Courseware Design
- Engineering Training
- E-Learning System
- Lifelong Education
- Computer Education for Special Group

HONORARY CHAIRS

Prof. Maoqing Li, Xiamen Univ., China
Prof. Jaspal Subhlok, Univ. of Houston, USA

GENERAL CHAIR

Prof. Zhigang Deng, Univ. of Houston, USA

ORGANIZING CHAIRS

Prof. Stephen S. H. Huang, Univ. of Houston, USA
Dr. Yu Ding, Univ. of Houston, USA
Dr. Jie Hu, Chongqing Univ., China

PROGRAM CHAIRS

Prof. Xin Li, Louisiana State Univ., USA
Dr. Yang Weng, Sichuan Univ., China

PUBLICATIONS CHAIRS

Dr. Wenxing Hong, Xiamen Univ., China
Prof. Wei Zhou, Beijing Jiaotong Univ., China

PUBLICITY CHAIRS

Dr. Qing Wang, Tianjin University, China
Dr. LUO Ye, Rice University, USA
Prof. Hiroki TAKADA, University of Fukui, Japan

REGIONAL CHAIRS

Prof. Ching-Shoei Chiang, Soochow University, Taiwan
Dr. Cui Binyue, Hebei University of Economics and Business, China
Dr. Farbod Khoshnoud, Brunel University, UK
Dr. Haoxiang Lang, University of Ontario, Canada
Prof. Hiromu ISHIO, Fukuyama City University, Japan
Prof. Koliya Pulasinghe, Sri Lanka Institute of Information Technology (SLIIT), Sri Lanka
Prof. ZHOU Qifeng, Xiamen University, China

IMPORTANT DATES

Submission Deadline: May 1, 2017
Decision Notification: June 15, 2017

Submission of Papers:

Authors should submit the full version of their manuscripts online through the conference submission system at <http://www.yeedao.net>.

All submissions must be written in English. The submitted manuscripts should contain sufficient details including key concepts and novel features of the work, and must be formatted according to IEEE's Two-Column Format for Conference Proceedings and be no longer than 6 pages including all text, reference, appendices, and figures. Templates are available at the conference website. The submissions should be in PDF format which is IEEE PDF eXpress compliant. To ensure submissions are suitable for ICCSE, authors are strongly recommended to first review the papers published by previous ICCSEs.

Special Issue for Control and Intelligent System: ICCSE will select about 12 papers with further enhancement to submit to the journal, published by ACTA press, which can be indexed by EI.

Invited Sessions: Proposals for invited session in the related areas are also solicited and should be submitted through email to Invited Session Chair, Dr. Wenxing Hong via Email: hwx@xmu.edu.cn.
