

Notification for ICCSE 2020 (A message for COVID-19)

June 9, 2020

Dear Authors,

Please noted that the conference will be held **online** on Aug 18-22, 2020 as planned.

The spread of the coronavirus (COVID-19) is the most serious global health security threat in decades. ICCSE 2020 offers sympathies to the individuals and communities who have been impacted by the outbreak, and we are deeply grateful to the thousands of health-care workers who are on the front lines helping their communities.

Considering this situation, ICCSE 2020 will be organized as **an online event**, which will be a totally new experience for attendees. With participants' ease, they can attend the conference and present their oral or poster presentations online, without long-distance traveling to the conference venue in person. **A detailed instruction to attend the conference will be released in July 2020.**

Most submissions' decisions had been announced, while some of them will be published before June 15 due to the extension of the submission deadline. The registration deadline will be put off to 30 June correspondingly. We're very sorry for the delay.

Once again, thanks very much for your support, and **looking forward to meeting you online.**

Organization Committee

ICCSE 2020
